BRARA: DMR-FL TECH NET SCRIPT

EARLY CHECKINS (approx. 7.30 to 7.45pm)

Good evening, this is **(CALLSIGN, FIRST NAME)**, the South East DMR-FL Tech Net will begin at 8pm. Any station who'd like to check in early, please your CALLSIGN and name.

> **Instruction**:
> - Pause for Check-Ins, write them down, and then recognize them.
> - Can repeat and recognize several at once.

STARTING THE NET (8.00pm)

Good Evening. You're communicating though another medium, a medium not only of frequency and power but of Time-slots and Color Codes; a journey into a wondrous land of linked repeaters and crystal clear communications. That's the signpost up ahead; your next stop the DMR Zone!

This is **(CALLSIGN and FIRST NAME)** and I'll will be your Net Control Station. This is an informal net, hosted by the Boca Raton Amateur Radio Association in cooperation with the Gold Coast Amateur Radio Association.

Our purpose is to foster communication, discussion, and training on DMR topics. All Amateur Radio DMR Enthusiasts are invited and encouraged to check in.

This net convenes Sunday evenings at 8:00 PM on Brandmeister TG-3112529.

At this time, any mobile or short of time stations, your **CALLSIGN** and name please.

At this time, any regular station, your **CALLSIGN** and name please.

Short of time stations may secure at their discretion.
