EchoLink 826953

HURRICANE ANNOUNCEMENTS

- **Next meeting Tuesday 3-Sept 2019 at 7pm POSTPONED**
- **Nets invoked:** Voice Comm, So County NBEMS DMR, other info
- **Shack storm prep:** towers, antennas, and hardware

SCHEDULED NETS

We'll be invoking 3 nets beginning Sunday 7.00pm in the following order:

Voice COMM Net 145.29 Mhz PL-110.9

So County NBEMS Net 145.29 Mhz PL-110.9

So FL DMR Tech Net TG 3112529 443.3500 Mhz +5

Expectations:

- Purpose is to support, pass through and relay information
 - These nets **will not operate** during the hurricane
 - All 3 nets will be operational
 - When one net concludes the next net will begin
 - Net sequence: Voice Comm, NBEMS, DMR
 - Daily Operating times: 9am, 12pm, 3pm, 7pm daily
 - Total Net Duration: 5-10 min
 - These will persist until no longer needed
 - Net Control Stations (NCS) may transfer control as needed
 - NCS may use tactical frequencies
 - Analog Repeater Outage Plan A : GCARA repeater 146.820 -600 PL110.9
-

- Analog Repeater Outage Plan B : simplex 146.520
- DMR Repeater outage plans: use Zone Simplex freq 441.000 digital
- Everyone should try to monitor 146.520 simplex analog

SHACK PREPARATION

Perform the following **and yes we'll need helping hands**

- Lower 50 ft vertical antenna then crank up tower
- Remove high value items and assign to caretaker
- Secure dipole antennas
- Secure items on property
