URGENT NOTICE

BRARA has been notified by Palm Beach County Parks & Recreation that our club station is to remain closed as of Close of Business today, Tuesday March 17, 2020, until further notice.

This notice comes as no surprise given other recent actions taken by the county in response to the current corona virus pandemic.

To avoid potential consequences up to and including arrest for trespassing, everyone is directed to refrain from entering the park or our station until the county gives us the all-clear.

Stay safe and we hope to be able to see you soon!

73,
Bruce Ratoff, KO4XL
President
