

BRARA EMERGENCY NET CONTROL SCRIPT

All stations this net, this is [CALLSIGN and NAME], Net Controller Station for this [VOICE COM, SO COUNTY NBEMS, or SO FL DMR TECH] Net.

This is a directed net for the purpose of passing information due to this severe [weather, power outage, fire, traffic, medical, other] event.

This net will operate at [9am, 12pm, 3pm and 7pm or named times] on this repeater which include the Voice Com net followed by the So County NBEMS Net and the So FL DMR Tech Net in TG - [311037 or other TG].

Net details may be found on our website which is BRARA.ORG

When checking into this NET, please provide your callsign, name, location, if you are mobile, short of time and your status.

Announcements, directly observable reports, or welfare information are encouraged.

If you must leave the net for any reason, please notify Net Control.

Please consider your safety at all times.

I will now take check-ins and reports.

This is [CALLSIGN and NAME], Net Controller Station. Thank you for checking into this net, we hope you check in at our next planned time. Please be safe.

All stations may now use the repeater for normal amateur use.
