

EARLY CHECK-INS: ANNOUNCE 10 MINUTES BEFORE STARTING THE NET

Good evening, this is **(CALLSIGN AND NAME)**. The Boca Raton Amateur Radio Association Monday Night "Voice Com Net" will begin at 7pm on this repeater. Any station who would like to check-in early, please say your call-sign and name?

Instruction:

- Pause for Check-Ins, write them down, and then recognize them.
- Can repeat and recognize several at once.

STARTING THE NET

Good evening, all stations this net, this is **(CALLSIGN AND NAME)** your Net Control Station calling the Boca Raton Amateur Radio Association "Voice Com Net". This net supports local amateur's technical subjects, project updates, events and announcements. Amateurs may check-in via Echo-Link on our node 826953. This is an informal, round-robin style net using minimal formalities and protocols. Details are on our website which is BRARA.ORG. In the event we lose this repeater, we'll use 146.82 Mhz Gold Coast repeater. All amateur radio operators are welcome to this repeater when not occupied by a scheduled net.

STATION CHECK-INS

Any mobile and short of time stations, please say your call-sign and name.

Instruction:

- Pause for Check-Ins, write them down, and then recognize them.
- Can repeat and recognize several at once.

At this time, Echo-Link stations, please slowly say your call-sign and name.

Instruction: Echo-Link stations require longer pause for check-ins

Now, all regular stations, please slowly say your call-sign and name.

STATION UPDATES

By check-in order, amateurs will be asked to share their project updates, technical subjects, announcements and events.

CLOSING THE NET

This is **(CALLSIGN AND NAME)** Net Control for the Voice Com Net. Are there any stations who would like to check-in, your CALLSIGN and name please.

Instruction: Pause for late check-ins and recognize them.
